# *DOCUMENTS*

---

- Visas are still in process of being issued
  - <https://visa.mofa.gov.sa/visaservices/searchvisa>
- If there is an error with your visa:
  - Contact Nusuk: support@hajj.nusuk.sa

# VISA UPDATES

---

- **SITUATION A**: If your visa has not been issued yet, no worries! There is still time. We'll be in touch if timeline becomes a concern.
- **SITUATION B**: Your visa was issued, but there is wrong information (Name, Passport Number, DOB). In this case, please immediately email [Support@hajj.nusuk.sa](mailto:Support@hajj.nusuk.sa) to correct the information. Provide a copy of the incorrect visa, and your passport showing the correct information. Please keep a copy of all communication saved, so that if we have to intervene on your behalf, we can show that you did first directly contact NUSUK. We will ask for this information from you.
- **SITUATION C**: Your Visa was rejected. The reason for rejection is affiliated with the Ministry of Foreign Affairs, there would be a second attempt to issue the visa if it was rejected the first time. Please don't be too concerned, there have been quite a few people who have already received their visa on the second attempt.
- **SITUATION D**: Your visa was successfully and correctly issued. Alhumdulilah! Please keep a digital and printed copy saved.

# *PASSPORT MANAGEMENT IN KSA*

---

- The standard procedure is that every hajji's passport is collected upon arrival in the Kingdom and returned prior to departure
- You **will** have to give your passport upon arrival in order to get processed through the ministry
- This has been more inconsistent since the launch of NUSUK

# IMMUNIZATION RECORDS

---

- Meningitis vaccine is **required**
- Covid and Flu vaccine is recommended
- Be sure to get your vaccine at least 10 days before travel

## Required vaccinations.

	Vaccine	Target Group	Target Countries	Approved Vaccine
1	Meningococcal meningitis	All individuals, 1 year old and above, arriving for Hajj or for seasonal work in Hajj zones.	All countries	<ul style="list-style-type: none"><li>▪ Quadrivalent (ACYW) Polysaccharide Vaccine, 10 days prior to arrival and should not exceed 3 years.</li><li>▪ Quadrivalent (ACYW) Conjugated<sup>2</sup> Vaccine within the last 5 years, and at least 10 days prior to arrival.</li><li>▪ Health authorities at the pilgrims' country of origin should ensure their vaccination within the required validity period and make sure that the type of vaccine and its date is clearly shown in the vaccination certificate.
